ROYAL BAKING POWDER COMPANY
120 William Street, New York

How to make it

Use level measurements for all materials

¼ cup shortening
1½ cups sugar
Grated rind of ¼ orange
1 egg and 1 roll
2½ cups flour
4 teaspoons Royal Baking Powder
1 cup milk
1½ squares (1½ oz.) of unsweetened chocolate (melted)
¼ teaspoon salt

Cream shortening. Add sugar and grated orange rind. Add beaten egg yolks. Sift together flour, salt and Royal Baking Powder and add alternately with the milk; lastly fold in one beaten egg white. Divide batter into two parts. To one part add the chocolate. Put by tablespoonfuls, alternating dark and light batter, into three greased layer cake pans. Bake in moderate oven 30 minutes.

FILLING AND ICING

3 tablespoons melted butter
3 cups confectioner's sugar
1 egg white
3 squares (3 oz.) unsweetened chocolate
Grated rind of ¼ orange and pulp of 1 orange

Put butter, sugar, orange juice and rind into bowl. Cut pulp from orange, removing skin and seeds, and add. Beat all together until smooth. Fold in beaten egg white. Spread this icing on layer used for top of cake. While icing is soft, sprinkle with unsweetened chocolate shaved in fine pieces with sharp knife (use ¼ square). To remaining icing add ¼ squares unsweetened chocolate which has been melted. Spread this thickly between layers and on sides of cake.
